“Todd” Mitchell Gardner II – #52419-509 Getting Back On My Feet Fund

<https://www.givesendgo.com/j6freshstart>

Todd just found out that he won't be going to a halfway house until February 2025. He has no clue how his wife and kids are going to survive financially as he was counting on getting back to work in August 2024. The family survives on what his wife makes and that isn't much. They have been surviving off selling his assets and his 401k, but that is all gone now.

There is no donation that is too small. Getting into a halfway house and working is the only thing on his mind right now. “I just want to work and take care of my wife and my kids.” **ANYTHING helps!**

Christopher Quaglin – #38648-509 Needs Help with Legal Fees

<https://www.givesendgo.com/PersecutedPatriot>

The FBI offered me, “No Charges” if I cooperated with the FBI. I refused. Charges went from 3 to 14 felony charges after being superseded 5 times. I was refused bail time and time again, while I was moved 7-times from jail to jail. I lost close to 200 pounds combined because of an autoimmune disease to wheat and the jails lack of care or understanding. I was thrown in the hole for over 6-months. Hundreds of people called the marshals and federal authorities on my behalf due to ongoing mistreatment and abuse by prison employees. The judge nor the marshals seem to care to help. At this point, I have lost my wife, child, house, everything. I saw something I shouldn't have seen on January 6, 2021, so the feds are trying to keep me quiet by threatening me with over 17 years of prison. **Chris was sentenced to 12 years in prison on May 24, 2024.**
